Living our Faith, Learning in Love

Year 6 Roles and Responsibilities

Chaplains—Our Faith In Action Team

We are really excited to be Year 6 Chaplains this year – there is so much to do! Our role is to help everyone in school live out the Gospel values by showing kindness, respect and care. We help set up and lead prayers, Masses and services, and support the staff and prayer leaders in classrooms. We also take care of preparing for the Celebration of the Word on Mondays, making sure everything is ready so worship runs smoothly. As Chaplains, we want to be champions for anyone in need, encouraging our school to take part in charity, care for God's World and look after each other. Through all we do, we really try to shine God's light and spread joy, peace and love in our school family.

Leadership Team

We are proud to be part of the Year 6 Leadership Team – it's a really important role and one that we want to take seriously. Our job is to set a good example for others, to support staff and pupils, and to make a real difference in our school. We will be helping to organise assemblies, welcome visitors, and share the ideas of other pupils so that everyone has a voice. If you have any ideas, we will always try to be friendly and approachable, ready to listen and do what we can to help. We also want to be role models for younger children, showing kindness, fairness and respect in all that we do. As the Leadership Team, we know there will be challenges (and probably a lot of chairs to carry!), but we are ready to work hard, stay positive and do our best to serve our school family. Most of all, we hope to leave a legacy of teamwork, responsibility and pride in our school. We often work directly with Mrs Fagan.

House Captains

We are the House Captains, and we are really proud to have this important role in school and liaise directly with the Staff who help run our House. Our job is to represent our Houses and set a good example for others in everything we do. We also organise Feast Days and champion all the children in our Houses. We have been selected as role models. We help to organise and distribute badges, make sure children line up neatly, and encourage positive behaviour around school. We also support smooth transitions between lessons, assemblies and playtimes so that everything runs calmly and respectfully. As House Captains, we want to show leadership, fairness and responsibility, and to inspire our Houses to always try their best and live out our school values. There is a competitive edge to our roles-we want as many House Points as possible!

St Lucy

We are St Lucy House Captains, and our Saint is known for her courage and strong faith. We promise to shine God's light in all we do, living with hope and encouraging others to be brave.

St Sebastian

We are St Sebastian House Captains, and our Saint is known for his strength, perseverance and loyalty to Christ. We promise to stay strong in faith, never give up, and always try our best.

St Joan of Arc

We are St Joan of Arc House Captains, and our Saint is known for her bravery and leadership. We promise to lead with courage, stand up for what is right, and be role models to others.

St Oscar Romero

We are St Oscar Romero House Captains, and our Saint is known for speaking out against injustice and caring for the poor. We promise to follow his example by being fair, caring for others, and giving a voice to everyone.

St Christopher

We are St Christopher House Captains, and our Saint is known for helping travellers and carrying people safely on their journeys. We promise to support each other on our journey through school with kindness and care.

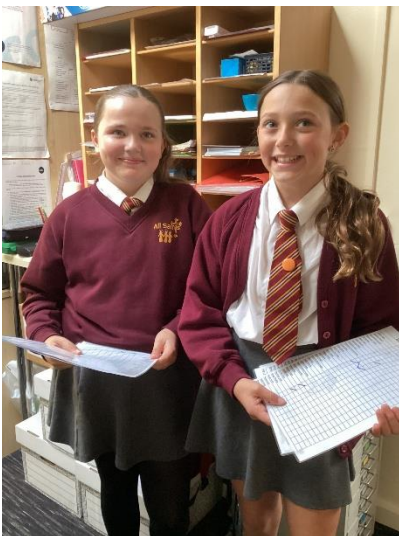

St Carlo Acutis

We are St Carlo Acutis House Captains, and our Saint is known for using technology to share his faith and bring people closer to God. We promise to use our gifts to inspire others, be creative, and help our school family grow in faith.

Sports Captains

We are really proud to be Sports Leaders in Year 6 and can't wait to get started! Our job is to encourage everyone to enjoy being active, to join in with games, and to always try their best. We will be working closely with Miss Bowen to help set up equipment, organise fun activities at playtimes and lunchtimes, and support teachers during PE lessons and sports events. We are especially looking forward to helping with Sports Day, inter-school competitions, and other special events like fun runs and charity challenges. Our aim is to make sure everyone feels included, has fun, and gets the chance to shine – whether it's in a big competition or just enjoying a game with friends. This year we are going to ensure All Saints' is the fittest it has ever been! As Sports Leaders, we hope to show teamwork, fairness and respect, and to inspire others to stay healthy and active every day. Some of us are running in the Cross Country at Longford Park this weekend to encourage others (and beat our own PBs!)

PAs to Mrs Ross and Miss Wilson

The role of PAs to Mrs Ross and Miss Wilson is a very important one, helping to keep the school running smoothly each day. As Personal Assistants, we support our Business Managers and Office Staff by helping to distribute resources, organise registers and keep everything behind the scenes well-organised. We also help with meetings, keep track of deadlines, and make sure information is passed on quickly and clearly. If you're ever unsure about something or need to ask about lost property, you can always come and speak to us – we'll do our best to help! Our job is to make sure staff,

pupils, parents and visitors feel welcome and supported, while helping Mrs Ross and Miss Wilson focus on the business and administration of the school. We also are incredibly useful if you have lost something and are skilled at finding people and property quickly.

PA to Mr Holt

We are really proud to be PAs to Mr Holt, our Site Manager. Our job is to help him keep the school safe, tidy and running smoothly every day. We're experts at spotting squeaky doors, leaky taps, wobbly chairs and anything else that needs fixing! We keep track of jobs, help organise equipment, and make sure messages get passed on quickly. If you notice a problem around school – big or small – you can come and tell us, and we'll let Mr Holt know straight away. We also help with important checks and make sure everything is ready for school events. Being PAs to Mr Holt means we get to support him in looking after our school and making sure it's a safe and welcoming place for everyone.

PA to Mrs Thorne and After School/Breakfast Club

I am proud to be PA to the After School Club Manager. Being Mrs Thorne is hard work and I strive to make her life a little easier. My job is to help make sure everything runs smoothly at club time so that children can relax, play and have fun at the end of the school day. I help to set up activities, organise equipment, and make sure snacks are ready and tidy. I also help children if they need anything, and I pass on messages to the manager to keep everything organised. Being PA to the After School Club Manager means being responsible, reliable and friendly – and making sure that after school is a happy, safe time for everyone. I always help everyone have a good time.

Nursery Prefects

We are the Prefects for Nursery, and we love helping the youngest children in our school! Our job is to be kind, patient and caring while we help them learn routines like lining up, tidying up and sharing toys. We know Nursery can sometimes be a busy place, so we're there to give a hand, a smile or even a tissue if needed. We want to make the little ones feel safe and happy – and sometimes that means reading a story or helping with coats and digging the allotment.

Reception Prefects

We are the Prefects for Reception, and we're excited to help the children who are just starting their school journey. Our job is to help them learn new routines, like walking sensibly around school, getting ready for lunch, and remembering where things go. We love to play games with them, read stories, and show them how to be good friends. If they are ever unsure or worried, we are always there with a smile to help. We hope to make Reception a place full of fun, laughter and confidence.

Year 1 Prefects

We are the Prefects for Year 1, and our job is to help the children as they grow more independent. We're there to support them in the classroom, in the playground, and around school – whether it's showing them how to line up properly, helping with coats and bags, or just giving encouragement when they try something new. Year 1 is all about learning with fun, and we want to be friendly role models who show kindness, respect and responsibility. We're also on hand if someone needs a buddy or a little boost of confidence.

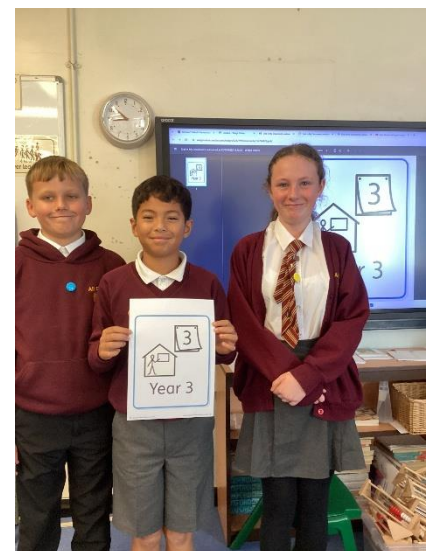

Year 2 Prefects

We are the Prefects for Year 2, and we're really looking forward to helping them become leaders themselves. Our role is to support them as they take on more responsibility, whether that's remembering homework, working hard in lessons, or showing good behaviour around school. We want to encourage them to be role models for the younger children, while still being there to help with little things like lost jumpers or finding the right book. We'll be friendly, approachable, and ready to cheer them on when they shine.

Year 3 Prefects

We are the Prefects for Year 3, and we know this is a big year as they move into the juniors. Our job is to make sure they feel supported as they take on harder work and new routines. We'll help them stay organised, set a good example in behaviour and learning, and be there if they ever need advice or a listening ear. We want them to feel confident, capable, and ready to take the next step in school life – and we'll be there to celebrate their successes and encourage them through any challenges.

Tuck Shop Managers

We are the Tuck Shop Managers, and we take our job very seriously (with a smile!). Our role is to run the school tuck shop at breaktime, where we sell healthy snacks to keep everyone fuelled for learning. We make sure everything is set up and ready, handle the money carefully, and serve everyone fairly and quickly – no cutting in the queue! We also encourage children to make healthy choices and remind them that fruit tastes just as good as crisps. Being Tuck Shop Managers means we are organised, responsible and friendly, and we always try to keep the queue moving so no one misses their playtime. We are also brilliant at dealing with a crisis, such when teachers try to eat the popcorn or it runs out!

Performing Arts Captains

We are the sparkly Performing Arts Captains, and we are so excited to have this role! Our job is to celebrate music, drama and dance across the school and encourage everyone to get involved. We work closely with Mrs Mulvihill to help organise rehearsals, support school performances, and make sure everything runs smoothly behind the scenes. We want to give confidence to children who might be shy, cheer on those who love the stage, and help everyone to discover their talents. Whether it's singing in choir, acting in a play, or joining in with dance, we aim to inspire others to shine. Being Performing Arts Captains means showing teamwork, creativity and enthusiasm – and reminding everyone that performing is about joy, expression and having fun together.

Librarians

We are the school Librarians, and we are really proud of our role. Our job is to keep the library tidy and organised so that it's always a calm and welcoming space where everyone can enjoy reading. We help to look after the shelves, recommend books to our friends, and support younger children in choosing stories they will love. We also help to run exciting events like book fairs and reading workshops, making sure everything is ready and goes smoothly. As Librarians, we want to share our love of reading, encourage everyone to try new books, and make the library a place full of imagination, adventure and fun. Mrs Dutton really depends on us to help her out!

Science Leader

I am a Science Leader, and my job is to spark curiosity and wonder across the school. I want everyone to see that science isn't just something in a textbook – it's everywhere! From mixing potions and experiments, to exploring the stars, to learning how the world around us works, I aim to inspire children to ask big questions and never stop being curious. I will help teachers with science activities, support clubs and events, and encourage everyone to enjoy discovering new ideas. As Science Leader, I believe that every child can be a scientist – all you need is curiosity, creativity and courage to explore!

Art Leaders

I am the Art Leader, and my job is to fill the school with creativity, colour and imagination. I believe that art is for everyone – whether you love drawing, painting, sculpting, or designing – there's always a way to express yourself. I will help with displays, support art activities, and encourage children to be proud of their creations. I want the school to be full of inspiration, celebrating talent and showing that every picture tells a story. As Art Leader, I believe creativity has no limits, and hope to inspire others to be brave, bold and brilliant in their art.

Tech Team

We are the Tech Team, and we're here to keep the school's technology running smoothly for everyone. From iPads and laptops to interactive boards and printers, we make sure everything works the way it should so learning never gets interrupted. We check equipment, keep things charged, tidy and ready, and support teachers and pupils when

there are technical problems. We also help set up for assemblies, presentations and special events, making sure the technology side runs without a hitch. We work closely with Miss Gosling to learn new skills and to keep our school moving forward with technology. We're also experts at untangling wires, finding missing chargers, and giving tech a gentle tap when it won't behave! As the Tech Team, we want to be helpful, reliable and creative problem-solvers who keep everyone connected and confident when using tech.

Tiny Saints Prefects

We are the Tiny Saints Prefects, and our special job is to help set up and run the toddler group that meets every Wednesday morning in the school hall at 9am. We get everything ready – from the toys and activities to the mats and chairs – so that the toddlers and their parents feel welcome as soon as they arrive. We also help to tidy up afterwards, making sure the hall is ready for the rest of the school day. Being Tiny Saints Prefects means showing kindness, patience and responsibility, and we love being part of a group that helps the very youngest members of our parish family feel happy and included.

Climate Warriors

We are the Climate Warriors, and our mission is to look after God's creation and protect our planet. We take Stewardship to the very highest level. Our job is to encourage everyone in school to recycle, save energy, and think carefully about the choices we make for the environment. We help with recycling bins, switch off lights and screens when they're not needed, and look for ways to make our school greener. We also share ideas about how to care for the world at home, like walking instead of driving or using

less plastic. Being Climate Warriors means standing up for the Earth, reminding everyone that small actions can make a big difference. Together, we want to make our school a shining example of how to care for our common home.

Environment Managers

We are the Environment Managers, and our role is to keep our school looking beautiful, clean and cared for. We check that classrooms, corridors and outdoor areas are tidy, and we encourage everyone to take pride in our school environment. Our job includes looking after displays, making sure litter goes in the bin, and helping to organise things like recycling and gardening projects. We work with staff and pupils to make our school a safe, welcoming and eco-friendly place for everyone. Being Environment Managers means showing responsibility, teamwork and care – and sometimes reminding people (nicely!) to tidy up their own mess. We believe that when our school looks good, it helps everyone feel proud to be part of it.

All of us take turns to be Office Angels, Tuck Shop Workers and Lunch Bunch facilitating the smooth running of our school at busy times.
