Living our Faith, Learning in Love

Monday 24th March 2025

Dear Families

With only two weeks to go before the end of the Spring term, we've can't believe how much we've done, the time has flown, and we still have so very much to squash in before we finish next Friday.

Spanish Visitors

Following the most marvellous week, sadly, our Spanish friends started their return journey home this morning. We have spent the most incredible week getting to know these beautiful children and their fabulous teachers and we remain indebted to each of our families who hosted a Spanish child – this trip would not have been able to happen had it not been for your generosity and hospitality.

Every single report and recount from our visitors, and our host families has been incredibly positive, the children and families have loved hosting the children and the Spanish children themselves have had the most wonderful time with the families - your generosity, kindness and care for them has been incredible, absolutely everyone has had the very best week! Thank you so very much to everyone involved with making this one of our school's most special and memorable experiences to date, an absolutely amazing adventure for us all.

The biggest thanks of all however, goes to the whirlwind otherwise known as Luisa Gonzales. Thank you, Luisa, for the significant amount of effort, energy and enthusiasm you put into making sure this trip happened so successfully. I know everyone has been delighted to be involved and we all look forward to a repeat next year!

Prayer Trail

This morning, Mrs Ostmeier, Mrs Pearson and our Year 3 children were delighted to welcome the Year 3 children from St Vincent's Catholic Primary School in Altrincham (all 90 of them!) as part of our Diocesan Prayer Trail. It was a lovely sight to see all the children mixing so beautifully, chatting, making new friends and working with one another, reminding each other how much God loves them as he holds them all so carefully in the palm of his hand. We all felt really proud of the children as they happily welcomed St Vincent's children into school, what a lovely morning they had together.

As previously said, the end of term is getting scarily close and we still have so much to do, below is a reminder of some important dates and events:

Decorate an Egg Competition

If they would like to, the children are welcome to join in with our annual 'Decorate an Egg for Easter' competition for which they are tasked to decorate a hardboiled egg, turning it

into to anything they like – an animal, a character, a vehicle, or simply decorate with patterns and colours.

Entries must be in school by **Thursday 3rd April**.

There will be prizes for the most creative entries from Early Years, Year 1 and 2, Years 3 and 4 and entries from Years 5 and 6.

Lent 'Big Walk'

As said in previous correspondence, along with many other Catholic schools, we are again supporting CAFOD with their Lent Big Walk, raising monies and bringing hope to those less fortunate than us around the world.

The children will bring home a sponsorship form with which we're hoping you will be able to assist. All children are invited to make efforts to walk as far as they can over the next two weeks, making note of how far (walking to school would be a great way to achieve this). Additionally, each class will be allocating time during the week to walk with their classes too, in the hope that we can collectively raise a good sum

to send to CAFOD whose work really does help to bring hope and change lives. Thank you very much, in advance for your kind support.
