### Living our Faith, Learning in Love

Friday 27<sup>th</sup> September 2024

Dear Families

I hope you are all well and have had a good week.

### **Macmillan Coffee Morning**

Many thanks to everyone who was able to come to this morning's Coffee Morning, and to those of you who provided cakes – thank you!

It was a lovely morning and it was really gorgeous to welcome so many families who were waited on by our Year 6 children and beautifully entertained by our very talented Performing Arts group.

So far, we have raised over £150 thanks to your generosity, cakes will also be sold at the end of today in the junior playground, please bring your spare change, there's a fabulous choice still available. You may also scan a QR code to transfer money directly.

### **Harvest Mass and Collection**

This coming Wednesday (2<sup>nd</sup> October), our first Whole School Mass of the academic year will take place at **9:15am** (slightly earlier time as Father Ned has funeral to attend), led by our fantastic Year 6 children and our Faith Ambassadors.

At this 'Harvest Mass' we are asking for your help and kindness, to offer donations of items such as; cleaning products, cereals, baked beans, tinned spaghetti, tins of soup, tins of meat, tinned meals, tinned vegetables, long life orange/apple juice, packets of microwave savoury rice, packets of noodles, pasta pots, sugar, biscuits, crisps, cat biscuits, dog biscuits, size 4 nappies. These will be to be distributed to those less fortunate than ourselves. Please refer to Mrs Murphy's letter from earlier in the week for further detail.

### **Parent Survey**

We are delighted to have been successful in our bid to be involved in a new Trafford project entitled 'PINS' (Partnership for Inclusion of Neurodiversity in Schools), the aim of which is to help strengthen partnerships between families and schools.

The project will also:

- enhance our confidence and expertise in supporting neurodiversity within their classrooms
- further enhance the school environment to address low level needs and allow neurodiverse children to successfully engage in learning
- develop parental awareness of the range of support across the local area
- help us further develop an inclusive culture within our school

Please do read and complete the questionnaire by clicking on the link below – this is not specifically for parents of children with SEND but for all parents, your responses are

extremely useful and will enable us to better understand our strengths and areas for development.

### **John Leigh Park, Schools' Cross-country Championships**

Altrincham and District Cross-country events begin next Saturday - 5<sup>th</sup> October at John Leigh Park, Oldfield Road in Altrincham, with the first race starting at 10:00am.

All children from Year 3 to Year 6 are very welcome to come along and represent our school. There are two separate races, one for children in Years 3 and 4 and one for children in Years 5 and 6. All children will run 1 lap of the course which is just under 1 mile. I will meet all those competing at 9:45am at the park.

This is a really lovely event where the children get the chance to compete against other local schools.

If your child would like to enter this event, please sign and return the form attached at the bottom of this letter, to me at school.

### **Events Next Week**

We are looking forward to another busy and enjoyable week next week and can't wait to hear how our **Eco-Red** (Climate Warriors in Year 6) get on when they attend the conference at Old Trafford on Tuesday.

Tuesday is also the day our Year 5 children are very excited about as it is when they visit Tatton Park for their class trip.

We are very much looking forward to both groups of children reporting back about their adventures.

I hope you all enjoy a lovely weekend and look forward to seeing you next week.

With very best wishes
