Dear Families

Welcome Back!

I hope you've all enjoyed a really wonderful summer time but that you are also glad of the return to the normality of the school routine. We have been delighted to see the children back with us – we've missed them so much. It's been a joy to hear about all their summer time adventures, to marvel over lost teeth, new shoes, new haircuts, and at how much they have grown over the holidays.

Our school family has been further enriched this year with the introduction of new staff and new children. We are really happy to welcome Miss Latus back to school following her maternity leave, and to welcome Mrs Hart and Mrs Romagnoli to our school. They are quickly establishing themselves on our staff-team and have already proved they have a great deal to bring to our school.

We are delighted to welcome our new children and their families to All Saints', we're so pleased that our new friends Caden, Florence, Gerard, Ruby, Freddie, Jude, Anaya, Malaya, Alyssia, Nathan, Eleanor, Dougie, Louie, Imogen, Teddy, Rowan, Edie, Matthew, Jeremy, Thea, Ethan, Joy, Snithik and Jack have joined our school family, we can't wait to get to know them properly and to share lots of fun and adventures together.

Friends of All Saints Family Fun Day

We are very much looking forward to the Family Fun Day which our amazing Friends-of-All-Saints-team have been busy organising. It promises to be a fabulous event, please do come along – Saturday 21st September, 12pm – 3pm on our school field. If you could spare the time to volunteer on one of the stalls, I know they would be extremely grateful. Many thanks to everyone who has had, or will have, any involvement with the organisation of such events, we are so very grateful for your tireless energy and enthusiasm – we are so very lucky to have you!

Meet the Teacher

This evening, you will receive an important email from your child's class teacher which includes an invitation to a 'Meet the Teacher' event which will take place over the coming days. This is a fantastic opportunity for you to come into your child's classroom, to see the physical space in which they will learn, to look at some learning resources and to hear important information about the year ahead. We very much look forward to seeing you there.

Parents' Evenings

Key dates for this half-term will be distributed next week including dates for class masses, class led assemblies and other events. I can however, tell you that our first Parents' Evenings of the school year will be held on **Tuesday 15th and Wednesday 16th October, from 3:45pm until 6pm**, in the school

hall. You will have the opportunity to book an appointment in the weeks ahead, we will notify you in advance.

If you should have any questions or queries about this information, or about anything to do with school life, please do not hesitate to come to speak with us at school. I am on the playground each morning, as are the class teachers, we are more than happy to help you in any way we are able. I hope you all have a really wonderful weekend, fingers crossed that the sunshine stays for just a little bit longer.

With very best wishes
