**Living our Faith, Learning in Love**

Friday 20<sup>th</sup> June 2025

Dear Families

I hope you are all well.

### **Feast of Corpus Christi**

On Thursday, we came together as a school family to celebrate the Feast of 'Corpus Christi' with a beautiful whole school Mass, led by Father Ned. Although the official feast day has been moved to this Sunday, we wanted to ensure we marked this special and sacred occasion while we were together in school.

A heartfelt thank you to Father Ned for celebrating such a meaningful and reflective Mass with us, and to all the parents and family members who were able to join us—it was a joy, as always, to have you with us.

### **FoAS Hampers and 'Red-Day'**

We've all enjoyed a fabulous day today, thanks to Emma (Manchester United Foundation) and Miss Bowen, who expertly organised the packed timetable. The children have all had a brilliant time on the inflatable, meeting 'Fred the Red', and playing in mini-tournaments – despite the heat!

We've also been extremely grateful to have received so very many lovely donations for the hampers which are being created by FoAS. Thank you as ever, for your wonderful kindness in helping to support the incredible work this amazing team do.

### **Great Science Share at Manchester University**

On Tuesday, a group of our talented young scientists from Years 5 and 6 took part in the Great Science Share—an exciting event organised by SEERIH (the Science and Engineering Education Research and Innovation Hub) and held at Manchester University.

This special day brought together pupils from primary schools across the region to share their science learning, showcase experiments, and take part in a wide range of hands-on scientific investigations.

Our children represented the school brilliantly and had a fabulous time exploring new ideas and developing their scientific thinking. We're so proud of the curiosity, teamwork and enthusiasm they showed throughout the day!

### **Cricket Tournament Success!**

Also on Tuesday, a group of our fantastic cricketers took part in a local cricket tournament, making it a very busy and exciting day for All Saints'!

The team represented our school brilliantly, showing great sportsmanship, team spirit, and determination throughout. They played exceptionally well, winning all but one of their matches! We're incredibly proud of their effort and enthusiasm. Well done, team!

### **Emails**

Firstly, I would like to apologise for any disruption caused this week in receiving text messages and emails. This has been due to a change in our website provider. Thank you so much for bearing with us as we work through this transition—we appreciate your patience and understanding.

### **Spain**

We are very much looking forward to our upcoming trip to Spain at the end of next week. I will be accompanying 17 of our wonderful Year 5 and Year 6 children, along with Mrs Mulvihill and Mrs Gonzales, for what promises to be a fantastic four-day experience. We hope this will be the first of many exciting opportunities like this for our pupils.

### **Events Next Week**

Looking ahead to next week, here are some of the key events taking place:

- **Monday:** Year 5 will take part in their Puberty Talk, and our Mini-Vinnies team will be meeting to plan and prepare for future projects.
- **Tuesday:** Individual Piano lessons continue as usual.
- **Wednesday and Thursday:** Year 3 will be carrying out important fieldwork at Carrington Moss as part of their geography studies.
- **Thursday:** We are delighted to welcome Simon Caplan to school, who will be speaking to the children about his Jewish faith, helping to enrich our RE curriculum and deepen our understanding of different beliefs.

As always, thank you to all our gorgeous families for your continued, much-appreciated support.

I wish you all a restful and happy weekend and look forward to seeing you next week.

Anita Fagan
